¹ Farms reporting trees on census date, or production for the previous crop year for censuses of 1935 and 1930. For census of 1940, production for the season of 1939-40 (from the bloom of 1939) for all citrus-producing States, except Arizona and California for which the production is for the season of 1938-39 (from the bloom of 1938).
² Less than 1 ton.
³ Less than 1 dollar.
⁴ For the States for which separate inquiries were carried on the Farm and Ranch Schedule.

¹ Farms reporting trees on April 1, 1940, or production for the season of 1939-40 (from the bloom of 1939) for all citrus-producing States, except Arizona and California for which the production is for the season of 1938-39 (from the bloom of 1938).
² Data not shown separately for a State which had less than 3 farms reporting.
³ Less than 1 ton.
⁴ Figures for "other citrus fruits" on this table do not agree with those shown on table 4 as more fruits are shown separately for the United States than for the individual States.
