<sup>1</sup>The schedule for 1929 did not specifically mention hides, bees, beeswax, fur-bearing animals (kept in captivity) or the pelts of such fur-bearing animals. <sup>2</sup>Excludes value for poultry, bees, and fur-bearing animals, sold or traded. <sup>3</sup>For 1939, includes farms with usable reports for value of farm products sold, traded, or used by farm households; but excludes farms with no products sold, traded, or used by farm households, and, also, unclassified farms. For 1929, includes reports for farms classified by type, regardless of whether or not farm products were reported sold, traded, or used by farm households; but excludes greenhouses, nurseries, and apiaries, as well as other unclassified farms (see text). <sup>4</sup>Not available. <sup>5</sup>Receipts from boarders, lodgers, etc., not included in value for farm products sold, traded, or used by farm households. <sup>6</sup>Value of sales for maple sirup and sugar included with "Forest products" in 1939, but with "All crops" in 1929. <sup>7</sup>Value of sales for Irish and sweet potatoes included with "Field crops," not with "Vegetables." <sup>8</sup>The number of farms reporting "Horticultural specialties" shown in this table includes only those reporting sales in 1939. The number of farms reporting "Any horticultural specialties" shown in County table XIII (vol. I) includes, in addition, farms reporting areas devoted to these crops but having no sales in 1939 (see text).
