¹In some cases figures are shown only for the principal products under each major-source class; therefore, the summation of the values for the individual products may not equal the total for "All farm products." ²All farm products sold, traded, or used by farm households. ³Value data not shown where there are less than 3 farms reporting for a major source of income class or for an individual product. ⁴Excludes poultry, bees, and fur-bearing animals. ⁵Less than one-tenth of 1 percent.
