<sup>1</sup>For 1934, farms reporting less than 1 acre were counted as farms reporting the annual legume crop, but were not included as farms reporting acres grown alone nor as farms reporting acres grown with other crops.  
<sup>2</sup>Where there are less than 3 farms reporting, data are included only in the State totals.

<sup>1</sup>For 1934, farms reporting less than 1 acre were counted as farms reporting the annual legume crop, but were not included as farms reporting acres grown alone nor as farms reporting acres grown with other crops.  
<sup>2</sup>Where there are less than 3 farms reporting, data are included only in the State totals.

<sup>1</sup>For 1934, farms reporting less than 1 acre were counted as farms reporting the annual legume crop, but were not included as farms reporting acres grown alone nor as farms reporting acres grown with other crops. <sup>2</sup>Where there are less than 3 farms reporting, data are included only in the State totals. <sup>3</sup>For 1934 data, see "Velvetbeans, vetches, Canada and other ripe field peas" below. <sup>4</sup>Less than 1 acre.
