<sup>1</sup> For 1934, farms reporting less than 1 acre were counted as farms reporting the annual legume crop, but were not included as farms reporting acres grown alone nor as farms reporting acres grown with other crops.

<sup>2</sup> Where there are less than 3 farms reporting, data are included only in the State totals.

<sup>3</sup> For 1934 data, see "Velvetbeans, vetches, Canada and other ripe field peas" below.
