¹In some cases figures are shown only for the principal products under each value group; therefore, the summation of the values for the individual products may not equal the total for "All farm products." ²Excludes farms with no products sold, traded, or used by farm households (see County table XVIII). ³Excludes poultry, bees, and fur-bearing animals. ⁴Value data not shown where there are less than 3 farms reporting for a value group or for an individual product. ⁵1939 county figures not shown for less than 3 farms in maximum value group or groups.
