¹Fractions, used in summation of acreage and production, have been rounded or deleted. Therefore, detail for these items does not necessarily add to totals as shown.

²Running bales, counting round as half bales.

³Where there are less than 3 farms reporting, data are included only in the State totals.

¹Fractions, used in summation of acreage and production, have been rounded or deleted. Therefore, detail for these items does not necessarily add to totals as shown.
²Running bales, counting round as half bales.
³Where there are less than 3 farms reporting, data are included only in the State totals.
