*Group A plantations consist of groups B plus C; group B plantations are those for which enumerators submitted reports on special Plantation Schedules; group C plantations (see text).

¹Value of farm products sold, traded, or used by farm households.

²The value of products shown for plantations was obtained by adding the values of such products reported for the individual farms in plantations. See text.

³Rounding bales of lint cotton, counting round as half bales.

⁴Less than one-tenth of 1 percent.
