¹ Figures given are same as those shown in preliminary report. Because of incompleteness of the data, no figures for islands, districts, or counties are given; the total was estimated in part.

² Not available.

³ Figures for 1940 are same as those shown in preliminary report. Data for 1940 and 1930 are based on estimates supplied by the Governor of American Samoa. No estimate made for number of farms on which coconuts were grown.

⁴ For 1940, 3 farms reported guavas and 1 farm, macadamia nuts.
