¹For 1934, farms reporting less than 1 acre were counted as farms reporting the annual legume crop, but were not included as farms reporting acres grown alone nor as farms reporting acres grown with other crops.

²Where there are less than 3 farms reporting, data are included only in the State totals.

¹ For 1934, farms reporting less than 1 acre were counted as farms reporting the annual legume crop, but were not included as farms reporting acres grown alone nor as farms reporting acres grown with other crops.

² Where there are less than 3 farms reporting, data are included only in the State totals.

CENSUS OF AGRICULTURE—TEXAS

¹ For 1934, farms reporting less than 1 acre were counted as farms reporting the annual legume crop, but were not included as farms reporting acres grown alone nor as farms reporting acres grown with other crops.

² Where there are less than 3 farms reporting, data are included only in the State totals.

¹ For 1934, farms reporting less than 1 acre were counted as farms reporting the annual legume crop, but were not included as farms reporting acres grown alone nor as farms reporting acres grown with other crops.

² Where there are less than 3 farms reporting, data are included only in the State totals.

Where there are less than 3 farms reporting, data are included only in the State totals.

For 1934 data, see "Velvetbeans, vetches, Canada and other ripe field peas" below.
