¹Does not include farms with no farm products sold or used, or unclassified farms. See county tables IV and VII.

²Includes value of farm products for farm households' use. Does not include value of products fed to livestock or used for seed on farm where produced.

³For classification by total value of products, see State table 8.

¹ Does not include farms with no farm products sold or used, or unclassified farms. See county tables IV and VII.
² Includes value of farm products for farm households' use. Does not include value of products fed to livestock or used for seed on farm where produced.
³ For classification by total value of products, see State table 8.
