^{*}Not available. Includes value of farm products for farm households' use. Does not include value of products fed to livestock or used for seed on farm where produced. PNot classified either by total value of farm products or by type. See State tables 4 and 8. Farms with no farm products sold or used by farm households. Classified by total value of farm products, but not classified by type. See State tables 4 and 8. Farms with \$600 to \$749 value of products.

Farms with \$600 to \$749 value of products.

Farms with \$750 to \$999 value of products.
