

Table 3.—NUMBER OF FARMS, BY COLOR AND TENURE OF

[Data for 1954 are based on reports for only a sample of

Table with columns for 'Color and tenure of operator' and 'Number of farms' (1954-1880) and 'Increase or decrease (-) Number' (1950-1954, 1945-1950, 1940-1945). Rows include categories like All farm operators, Full owners, Part owners, Managers, and various tenant types.

NA Not available. For 1920, standing renters (renters paying a fixed quantity of products) for the North and the West were included with "Cash tenants," and those for the South with "Other tenants"; for 1910, standing renters were included with "Cash tenants" for all States; for 1900, standing renters and unspecified tenants were included with tenants; for 1890 and 1880, all tenants were classified as either renting for fixed money rental or for share of products. See Table 1. In determining increase or decrease 1910 to 1920, the 27,072 white and the 77,924 nonwhite standing renters reported for the South for 1920 were included with cash tenants, since the 1910 figures for cash tenants include standing renters. See Footnote 1. In determining increase or decrease 1900 to 1910, other and unspecified tenants for 1910 were included with cash tenants, since the 1900 figures for cash tenants include unspecified tenants. See Footnote 1. South only. See text. Available for the South only.

Table 4.—NUMBER OF FARMS, BY COLOR AND TENURE

[Data for 1954 are based on reports for only a sample of

Table with columns for 'Color and tenure of operator' and 'Number of farms' (1954-1880) and 'Increase or decrease (-) Number' (1950-1954, 1945-1950, 1940-1945). Rows are categorized under 'THE SOUTH' and include categories like All farm operators, Full owners, Part owners, Managers, and various tenant types.

NA Not available.  $\bar{Z}$  0.05 percent or less. For 1920, standing renters were included with "Cash tenants"; for 1900, standing renters and unspecified tenants were included with cash tenants; for 1910 and 1880, all tenants were classified as either renting for fixed money rental or for share products. See Table 1. In determining increase or decrease 1910 to 1920, the 27,072 white and the 77,924 nonwhite standing renters reported for the South for 1920 were included with cash tenants since the 1910 figures for cash tenants include standing renters. See footnote 1. In determining increase or decrease 1900 to 1910, other and unspecified tenants for 1910 were included with cash tenants since the 1900 figures for cash tenants include unspecified tenants. See footnote 1.
