I-20	U. S. DEPARTMENT OF COMMERCE BUREAU OF THE CENSUS	AGRICULTURE OPERATIONS OFFICE PARSONS, KANSAS
<h1 style="margin: 0;">1960</h1> <h2 style="margin: 0;">SURVEY OF IRRIGATION IN HUMID AREAS</h2>		

1. Name and address.

2. According to the records obtained for your place in the 1959 Census of Agriculture, some land farmed by you was irrigated in 1959. This report is being sent to you for the purpose of obtaining information on farm irrigation in 1960. If you do not now operate a farm, please give below, the name and address of the person who is the present operator of the farm you operated in 1959:

Name _____

Address _____

3. Was any land on the farm or place you operate, irrigated in 1960?..... No Yes

If "Yes" answer questions 4 through 17.

If "No" sign your name under question 17 and mail this questionnaire.

OWNERSHIP

4. How many acres do you **own**? ... None Acres _____
(Include all land and tracts of land owned, regardless of where located. Include cropland, pastureland, and woodland.)

5. How many acres do you **rent** from others? Include land worked on shares None Acres _____
(Include cropland, pastureland, woodland, and wasteland.)

6. How many acres do you **manage** for others? None Acres _____

7. How many acres do you **rent to** others? None Acres _____
(Include here any fields or hay land rented to others. Also include land worked on shares by others.)

8. Acres in the place you operated this year..... _____
(Add acres for questions 4, 5, and 6, and subtract acres for question 7.) (acres)

Office use only

The following questions refer to the *acres in this place* that you entered for question 8.

9. What was the **total acreage** of land irrigated on this place (the land reported in question 8) in 1960?..... Acres _____

10. In what year was irrigation begun on this place (the land reported in question 8)? (year) _____

11. How many **constructed ponds, pits, dugouts, or constructed reservoirs** of any kind for storing irrigation water are there on this place? (number) _____

12. **SOURCE OF WATER** (If water was obtained from a constructed reservoir of any kind, check the source of water for the reservoir.)

(a) What was the source of the water used for irrigation in 1960? (Mark X for each source from which water was used.)	(b) What was the percent of the total irrigation water which came from each source?
<input type="checkbox"/> Wells.....	_____ %
<input type="checkbox"/> Natural streams and rivers.....	_____ %
<input type="checkbox"/> Springs and seepage (not from streams)..	_____ %
<input type="checkbox"/> Farm runoff (not from streams)	_____ %
<input type="checkbox"/> Natural lakes and natural ponds.....	_____ %
<input type="checkbox"/> Drainage ditches.....	_____ %
<input type="checkbox"/> City, town, or community water supply..	_____ %
<input type="checkbox"/> Purchased from irrigation or drainage company or district	_____ %
<input type="checkbox"/> Other (Describe) _____	_____ %
Total	100%

13. METHOD OF IRRIGATION

--

(a) What method was used to apply water to the land in 1960?

(b) How many acres were irrigated by each method in 1960? *Acres*

- Portable pipe and sprinklers.....
- Fixed overhead irrigation.....
- Furrows or ditches
- Flooding
- Sub-irrigation
- Other (Describe)

14. What type or types of power did you use for pumping?

- (1) Gas engine (3) Electric motor (V) None
 (2) Diesel engine (4) Tractor

--

15. What crops were irrigated during 1960?

(For each crop, answer these questions.)

	How many acres were irrigated? (Report tenths of acres)		How many times was this crop irrigated?
	<i>Acres</i>	<i>Tenths</i>	
a. Corn (except sweet corn and popcorn)?..... (001)			
b. Tobacco? (081)		/10	
c. Irish potatoes?..... (079)		/10	
d. Snap beans? (110)		/10	
e. Sweet corn? (108)		/10	
f. Tomatoes? (107)		/10	
g. Strawberries?..... (144)		/10	
h. Hay? (040)			
i. Pasture?..... (205) (199)			
j. Nursery and flower crops?..		/10	
Other crops? (Apples, celery, cotton, sweet-potatoes, etc.)			
k. _____		/10	
l. _____		/10	
m. _____		/10	
n. _____		/10	
o. _____		/10	
p. _____		/10	
q. _____		/10	
r. _____		/10	

16. Have you used irrigation for any of the following:

- (a) Preventing frost damage?.....No Yes -
- (b) Applying fertilizer materials?.....No Yes -
- (c) Easier land preparation?No Yes -
- (d) Other? (Describe)..... Yes -

REMARKS

17. Name and address of person who can provide information regarding this report.

Name		Telephone No.
Post Office		
Date	Signature
