The totals for farms capaciting ages	as and tone of commercial fortilizer	und as shown on tables 24 to 5	O	11 1			-

<sup>&</sup>lt;sup>1</sup> The totals for farms reporting, acres, and tons of commercial fertilizer used as shown on tables 24 to 30 may differ from State table 21 and the State summary of the county tables because they include data for farms reporting less than 10 hundredweight of production and no harvested acreage.
