Section 1 - GENERAL

Please read...

The purpose of this census is to collect data covering the year 1969 for establishments primarily engaged in performing animal husbandry, horticultural, or other agricultural services on a fee or contract basis. Commercial hunting and trapping and the operation of game preserves are included.

Review the activities listed in section 2 and enter in the appropriate space the gross receipts for each one performed by you or your establishment. Report the locations where these activities were performed in section 3. Give the information requested in section 4 for the number of workers in these activities, including yourself if you were the operator.

If part of your operations were not applicable to the activities listed in section 2, report them in section 5. For example, all product sales and any activities other than agricultural services which were part of your operation should be reported in section 5.

Give the best answers you can. If your records do not contain the requested information, please provide your best estimate.

After completing this form please return it in the enclosed postage-paid envelope to -
