<sup>1</sup> The totals for farms reporting, acres, and tons of commercial fertilizer used as shown on tables 24 to 30 may differ from State table 21 and the State summary of the county tables because they include data for farms reporting less than 10 hundredweight of production and no harvested acreage.

## Class 1-5 Farms

Table 24. Summary by Tenure of Operator and Type of Organization: 1969—Continued

|                                                                   | All organizations | Individual or family | Partnership | Corporation, including family owned |                           | Other |
|-------------------------------------------------------------------|-------------------|----------------------|-------------|-------------------------------------|---------------------------|-------|
|                                                                   |                   |                      |             | 10 or fewer shareholders            | More than 10 shareholders |       |

<sup>1</sup> The totals for farms reporting, acres, and tons of commercial fertilizer used as shown on tables 24 to 30 may differ from State table 21 and the State summary of the county tables because they include data for farms reporting less than 10 hundredweight of production and no harvested acreage.

## Class 1-5 Farms

Table 24. Summary by Tenure of Operator and Type of Organization: 1969—Continued

| All farm operators                          |        |             |             |         |     |
