**FROM THE DIRECTOR
BUREAU OF THE CENSUS**

We need your help in completing this report on contracts and agreements which are used for the production and marketing of selected agricultural products. In order to minimize the reporting burden on the Nation's farmers, this request is being mailed to only a sample of the farming operations which were included in the 1974 Census of Agriculture. Since your operation is among the sample selected to represent all contractual arrangements, your response is very important to the successful completion of the survey.

Specialized information is needed about the extent and use of production and marketing contracts in our Nation's agriculture. At present, little is known about the characteristics and types of arrangements and the effect they have on individual farming activities and marketing.

Please complete this report form for any contract or agreement you had in 1977. Most questions on the report can be answered readily by marking a "Yes" or "No," making an "X" in an appropriate box, or reporting estimates and percentages where actual figures are not readily available. We ask that you reply within 7 days; a preaddressed envelope is provided for your convenience.

The Contract Survey is part of the 1974 Census of Agriculture program which is required by title 13, United States Code, and is being taken in cooperation with the Economic Research Service of the U.S. Department of Agriculture which will use statistical totals in its work. Accordingly, under provisions of this title, your individual response is required by law and must be kept confidential, and will be seen only by sworn Census employees.

Your cooperation in helping us to complete the survey economically and quickly is most appreciated.

Sincerely,

MANUEL D. PLOTKIN
