Dear Friend:

This survey is part of the 1974 Census of Agriculture. A limited amount of specialized data is needed to provide factual information about the size, type, and extent of participation of corporate organizations in the Nation's agriculture.

Your response is required by law (Title 13, United States Code). The same law provides that the information you furnish is confidential. The information on your report form will be seen only by sworn Census employees and will be used only in statistical totals after combination with data for other farms.

The 1974 Census of Agriculture report filed for your agricultural operation or establishment has "Corporation" marked for type of organization. If your agricultural operation is not conducted as or by a corporate organization, please explain the operating structure in the remarks section and return this form in the preaddressed envelope provided.

If the agricultural operation is conducted as or by a corporate organization, please complete this report. Include data for all subsidiaries, that is, firms in which your company owns more than 50 percent of the outstanding voting stock, as well as affiliated firms in which your company has the power to direct or cause the direction of the management and policies.

If actual figures are not readily available from your records, estimates are acceptable.

The first 8 digits in the line of numbers above your address are your Census File Number. If you receive more than one copy of this form and the file numbers are different, please complete one copy of this form, mark all extra copies "Duplicate," and return all copies to us in the same envelope. Thank you for your cooperation.
