OFFICE OF THE DIRECTOR

In reply refer to:
BUREAU OF THE CENSUS
1201 EAST TENTH STREET
JEFFERSONVILLE, INDIANA 47132

FROM THE DIRECTOR
BUREAU OF THE CENSUS

We need your help in completing this report on your farm or ranch partnership operations. In order to minimize the reporting burden on the Nation's partnership operators, this request is being mailed to only a sample of the partnership operations reported in the 1974 Census of Agriculture. Since your operation is one of a sample selected to represent all partnership operations, your response is very important to the successful completion of the survey.

A measure of specialized information is needed about the organizational characteristics of partnerships because partnerships usually operate larger than average-size farms and ranches and contribute significantly to the Nation's agricultural production. At present, little is known about the types of arrangements and the extent to which the partners derive their livelihood from agriculture.

Please complete the enclosed report form for the partnership. Most questions on the report can be answered readily by marking a "yes" or "no," making an "X" in an appropriate box, or reporting estimates and percentages where actual figures are not readily available. We ask that you reply within 7 days; a preaddressed envelope is provided for your convenience.

The Partnership Survey is part of the 1974 Census of Agriculture program which is required by title 13, United States Code. Under provisions of this title, your response must be kept confidential and may be seen only by sworn Census employees.

Your cooperation in helping us to complete the survey economically and quickly is most appreciated.

Sincerely,

ROBERT L. HAGAN
Acting Director
