AGRICULTURE DIVISION
John H. Berry, Chief

ACKNOWLEDGEMENTS—This procedural history was prepared in the Data User Services Division by **Michael A. Hovland**, under the supervision of **Frederick G. Bohme**, Chief, Census History Staff. The following individuals reviewed the manuscript and made valuable suggestions: **Shirley Kallek**, former Associate Director for Economic Fields (to May 1983); **Orvin L. Wilhite**, Chief of Agriculture Division, to Jan. 1980, and his successor, **Arnold L. Bollenbacher**; **John E. Adkins**, **Kenneth R. Norell**, **Charles E. Rogers**, **William R. Adams**, **Patricia A. Clark**, **Kent C. Hoover**, **D. Dean Prochaska**, **Francine K. Rattner**, **Billy Stark**, and **John C. Womack**, all of Agriculture Division; **Michael Weiler** of Field Division; and **Carmina Young** of Decennial Census Division.

Editorial services and publication planning were provided by **Joan I. Kinikin** of Publications Services Division.

Library of Congress Cataloging in Publication Data

United States, Bureau of the Census.
1978 census of agriculture.

Supt. of Docs. no.: L3.31/

CONTENTS: v. 1. State and county data.—v. 2. Statistics by subject.—v. 3. Agricultural services. [etc.]

1. Agriculture—United States—Statistics. I. Title. II. Title: Census of agriculture.

HD1753 1978.B87 7 1980 38.1'0973 79-600215
